## THE IMPRINT OF PRIDE

*P*RINTING is the great constructive force of the modern civilized world. It plays the indispensable part in the dissemination of news, in the expression and progression of political ideals, in the records and exchange of commerce and industry. It democratizes education, science, art, music—and broadens the scope of everything it touches. ¶To appreciate its high place in the esteem of an enlightened world, PRINTING MUST BE WELL DONE. YOUR PATRONAGE WILL BE APPRECIATED

Hoosier humorist Herb Shriner quizzes a delegation from Randolph-Henry High School in Charlotte Court House, Virginia, on Old Gold's "Two For The Money," May 14, 1955, as two teachers and two students race to see which team can deliver the most answers. With 37 members of Randolph-Henry's senior class cheering them on, students Virginia Duffer and Hugh Hartness proved their good teaching as they won over faculty members Miss Eleanor Berger and Mr. Leonard Storling.
